ABOUT ME

I am an Engineering diploma holder with strong technical knowledge and a growing interest in MEP modeling and designing, AutoCAD drafting, Revit, and Navisworks. I specialize in creating accurate mechanical layouts like HVAC Plumbing and Fire fighting in AutoCAD and detailed 3D models in Revit. I am passionate about combining engineering principles with modern digital design tools to deliver efficient and coordinated building systems. Aspiring to work as a BIM Modeler and MEP Draftsman, I seek opportunities to grow in a collaborative environment while gaining hands-on experience in real-world MEP projects.

WORK EXPERIENCE

BIM coordination freelance project (UAE) – Warehouse project

Aug-2025

- Delivered highly coordinated MEP layouts using Revit in line with BIM standards and industry best practices. Successfully led the ventilation system modeling for a UAE-based warehouse project, ensuring precise alignment with client requirements and international HVAC standards.
- Collaborated with architects, engineers, and contractors to drive seamless BIM coordination and fully integrated design solutions.
- Worked across 13+ disciplines—including firefighting, plumbing, and lighting—by developing and customizing Revit families, resulting in a clash-free, highly efficient BIM model.

PROJECTS

Oct 2025

BIM coordination – MEP Coordination hypothetical 3floor Hotel building

- Completed MEP Modeling for 3-floor building focusing on Electrical, HVAC, Plumbing, Fire fighting integration.
- Designed air distribution, lighting layouts, plumbing and fire fighting systems following standard engineering standards.
- Conducted load calculations and duct/pipe sizing to ensure adequate system performance and energy efficiency.

KEY SKILLS

- Revit MEP Modeling & Family Creation
- AutoCAD 2D Drafting & Layout Development
- Navisworks Clash Detection & Coordination
- HVAC System Design & Ventilation Layouts
- Plumbing & Drainage System Design
- Firefighting System Layout (Sprinkler & Hydrant)
- Knowledge of ASHRAE, NFPA & NPC Standards
- Problem Solving & Attention to Detail

CERTIFICATIONS

- Master certificate in MEP design
(CADD Centre training & services, Tirur)

LANGUAGES

- English
- Malayalam
- Tamil

EDUCATION

MALABAR POLYTECHNIC COLLEGE KOTTAKKAL

DIPLOMA IN MECHANICAL ENGINEERING
2019-2022

TSS VADAKKANGARA

Secondary School (10th)
2022-2025

TECHNICAL SKILLS

- Navisworks
- AutoCAD
- Revit MEP
- Ms office (Excel, word, power point)
- PlanSwift 11 (Base)
- Blender
- Photoshop

DECLARATION

I hereby declare that the above-mentioned information is true and correct to the best of my knowledge and belief.

–Noor Nihal
